OBJECTIVE

Seeking career advancement and looking for a role where I can utilize my Full Stack Development skills.

SUMMARY

Highly motivated and dedicated individual with 3+ years of experience in the field of full stack web development. Currently a student at IoBM having majors in Computer Science. Having strong grip on numerous programming languages including JavaScript, PHP and C++. An excellent problem solver, good with finding creative solutions for challenging problems, love to work in a team of developers that are goal oriented and motivated. Currently working on sharpening my skills in React and Node JS.
